Result of a Debate.

The debate, "Which is the most use-
ful animal, the dog or the cat?" was
decided by the audience a tie—that
the household would be unable to do
without one or the other.—Big Sandy
(Ky.) News.

For Your Traveling Bag.

Brown leather traveling bags, or
any other brown leather goods, may
be beautifully polished by rubbing
them with the inside of a banana skin
and then polishing with a soft dry
cloth.

Make the Milk Jug Sweet.

To sweeten a milk jug, scald it with
boiling water, then fill with cold water
and add a teaspoonful of salt and
leave it for five minutes before empty-
ing it.

Not Enough.

"What do you think of Fielding?"
she asked young Mr. Ashby. "Oh, it's
important, of course, but it won't avail
anything without good batting."—Ex-
change.

More Valuable Accomplishment.

Helter—"Holmes gets a gigantic
salary from that mining corporation."
Skelter—"Able to locate gold mines,
is he?" Helter—"Not much. Able
to locate stock purchasers."—Life.

Very Probable.

"I don't know what it is," gushed
the animal lover, "but there is some-
thing about cats that sort of takes
hold of me." "Oh!" said his matter-of-
fact friend, "I'll bet it's death."

Leading Question.

D. A. R.—"I have the drum that my
great-grandfather carried all
through the revolution." "The Flap-
pant One—"And when he saw the en-
emy did he beat it?"—Puck.

Middle Age Mortality.

Insurance men are noting an in-
creasing middle-age mortality. In
this country it has increased 20 per
cent in thirty years. In England it
has been very much less.

Of Course.

"Goodness, John," said a woman to
her husband, "your suit looks as if you
had been sleeping in it!" "Well," re-
plied John, "why not? Isn't that the
suit I wear at church?"

Surplus of Stock.

"What do you think of this bride
having 8,000 guests at her wedding?"
"I wouldn't invite so many. I wouldn't
care to get 3,000 or 4,000 pickle for us."
—Courier-Journal.

Hypocrite Pug.

The Overbrook Citizen contends that
the laziest animal on earth is a pug
dog, and yet the pug dog is always
putting around as if it was worked
almost to death.

Daily Thought.

True dignity comes only of humili-
ty. Pride is the ruin of dignity, for
it is a worshiping of self, and that
involves a continuous sinking.—George
MacDonald.

Fashion Note.

Personally we think it is all right
for a man to wear a wrist watch in
warm weather, but in winter we think
he looks better carrying a muff.—Dal-
las News.

Not a Pleasant Surprise.

A man told his daughter that if she
learned to cook he would give her
surprise. She learned the art, and he
surprised her by discharging the ser-
vant girl.

Way of Prolonging Life.

The statement has been made that
life would be prolonged if persons
would acquire the habit of stooping by
the hips, instead of bending the back-
bone.

Same Thing.

Wife (bitterly).—"How can you talk
that way? You know that I never
peter you for money." Hub—"No,
but the people you buy things from
do."

Daily Thought.

Sin hath many tools, but a lie is the
handle which fits them all.—O. W.
Holmes.

Opportunity is knocking at your
door now—the opportunity of having
a wholesome, delightful refreshment
for every member of the family at so
small a cost.
